**PROGRESSIVE 5TH ELEMENT SPRING SPACER**

All springs with part numbers followed with an asterisk (\*) will require one spacer when used on a Progressive 5th Element Shock. This is due to the shock not having as much thread length as other shocks which limits the variation in spring length it will accommodate. Spacers are sold seperately and are not included with any springs. Made from UHMW plastic for minimal weight.

<b>PART #</b>	<b>I.D.</b>	<b>O.D.</b>	<b>COLOR</b>	<b>RETAIL</b>
